AT A GLANCE

WHAT WE DO

Kicking Cancer Foundation is a 501(c)(3) charitable organization dedicated to raising funds for cancer research in the Philadelphia area. Our signature fundraising event is an all-day adult kickball tournament held every August in Philadelphia, PA.

Drawing around 300 young professionals from the greater Philadelphia area, our tournament has become a highly anticipated community event. In 2024, we proudly celebrate our 14th annual kickball tournament, continuing our mission to support cancer research.

WHO WE SUPPORT

Since 2009, the Kicking Cancer Foundation has raised over \$450,000 for cancer research. We're proud to announce that all proceeds from the 2024 tournament will go directly to Fox Chase Cancer Center.

As a recognized "Leaders Circle" foundation, we're committed to making a significant impact through our support of Fox Chase Cancer Center.
